

1. Position your cursor in the Name field and start typing. Go to the next field by hitting the tab key and continue typing or by positioning your cursor, clicking and then typing.
2. In the pink box, enter only the number of subscriptions you would like. All calculations will be done for you.
3. If you would like to make a tax free donation, enter that also. If not, leave it blank.
4. Click the print button; in the set up box enter how many copies of your form you want printed and click ok.
5. Once you have your copies, click the reset button.
6. Click the back button on your browser bar to return to the subscription page.
